KvK riba Registracion y Administracion di negoshinan na Aruba

Resientemente, LEO MADURO di KvK a elabora riba e registracion y administracion di negoshinan riba nos isla.Camara di Comercio y Industria ta e organo oficial cu ta encarga cu registracion di negoshinan riba nos isla. Ultimo tempo, a yega na nan oido for di varios compania cu ta buscando ayudo pa mehora nan structura di administracion interno. Claro cu Camara di Comercio mes no tin control riba e partinan administrativo di negoshinan, pero si ta conseha pa tin'e bon bou di control. Director di Camara di Comercio, Sr. Leo Maduro ta trece dilanti e importancia cu esaki ta trece cunele y con pa tene un administracion di cualkier empresa

Camara di Comercio ta sospecha cu tempo y placa ta hunga un rol hopi grandi y ta traha na desbentaha pa e negoshinan chikito. Pesey mes hopi biaha nan ta cay atras cu nan administracion di tur luna y pa paga un persona pa por encarga cu e administracion completo di e negoshi tambe ta costa hopi placa y tempo pa hasi esaki.

Ta bon pa enfatisa cu te cu awor Camara di Comercio no ta supervisa administracion di ningun compania, pero cu a bini cambionan den e leynan existente y cu ta haci cu lo tin obligacion pa habri bukinan. Esaki ta pone un presion riba e negoshinan chikito y mediano pa toch tin nan administracion bou di control.

Director di Camara di Comercio ta duna di conoce, cu nan ta consciente cu si bo ta un empresario bo tin hopi pa haci y alabes bo negoshi no ta carga gastonan grandi pa por paga un hende pa por haci e trabao tampoco.

E necesidad den e Mercado pa cu un bon administracion awendia ta ensencial y hasta di vital importancia pa exito di cualkier negoshi existente. Pesei ta hopi importante pa negoshinan chikito,tene bon cuenta cu e factornan menscion y pa mantene gastonan abao. Den esaki,Camara di Comercio ta duna un man pa yuda pone e negociantenan chikito aki riba e bon caminda y cu ayudo externo tog por logra haya un bon direccion din an administracion din an negoshi.

Ta bom pa bolbe enfatisa cu Camara di Comercio,na ningun momento ta bai dicidi ni forma parti di e negoshinan aki cu ta busca ayudo pa nan necesidadnan pa un mihor control din an negoshi,sino solamente ta extende un man pa yudaanan den nan necesidadnan administrative aki.Camara di Comercio ta e organo cu ta controla e registro y administracion di e negoshinan cu ta resgistra y cumpli cu nan deber como miembro na Camara di comercio.

Manera ta bon conoci na varios ocasion caba, e empleadonan publico di e Departamento di Bombero a trata na yega na un solucion du Ministro Arthur Dowers, cu a priminti na varios ocasion cu elo drecha e situacion caotico di basta tempo caba na dicho departamento,pero te diabierno ultimo,esaki no tabata e caso y esaki a pone e situacion bai for di man y awor ta den Corte ta busca e solucionnan pendeinte di basta tempo caba y cu e empleadonan no kier warda mas ,debi na e inseguridad cu ta existi y cu ta core peliger hasta pa nan bida.

Na e momentonan aki segun informenan suministra pa e empleadonan mes ta indica cu San Nicolas no tin vehiculo drechi usabel,si encaso presenta un candela grandi y pa loke ta trata pa resto di nos isla, ta solamente dos vehiculo ta operacional na e momentonan aki.

Mas ainda e tanto promesa y palabranan bunita di Ministro Arthur Dowers, a pone cu e empleadona aki, no tin confiansa ni speransa den e situacion alarmante aki y nan kier solucion awor. Sin conta esnan cu ta wardando pa añanan caba riba un aumento di nan salario y reconocimiento pa nan trabao.

Lo ta bai ta interesante pa mira con henter e asunto aki lo bai desaroya su mes dilanti mesa berde.

“Dead Man don’t talk” y edificio di PPA un ruina

Despues di e ultimo elecion pa Parlamento di Aruba tres aña pasa,ta ultimo biaha cu a tende di partido PPA y su edificio,bunita y espacioso por cierto.

Ultimo aki, su lider Benedict Nisbet a purba di lanta cabes atrobe y ta den publicidad cu entrevistanan y posibel solucionnan pa Aruba.

Tristo ta e hecho cu un lider di un tempo un prestigioso partido manera PPA, cu un lider sin igual te awe,cu tabata Juan Enrique Irausquin,(q.e.p.d.), un homber cu vision cu awe nos tin un economia estable y un turismo floresiente, cu hopi incluyendo lider di AVP den e epoca aya y a bisa Juan Enrique Irausquin cu ta cabrito elo hinca den e cambernan di e prestigioso hotel Caribbean y awe mira kiko su vision a duna nos isla, un posicion invidiable pa tur den Caribe y rond mundo,un turismo estable y creciente.

Awe nos ta mira con atrobe “Chollernan” den bario di San Nicolas a caba cu un edificio, bvunita cu por a hasi bon uso di djele pa pone recepcion,reunionnan social y hopi mas. Despues di un candela,e edificio aki a keda bandaona pa su lider Benny Nisbet y su miembronan,esta si a keda miembronan ainda,ya cu e imprsion cu tin awor ta di un,”Dead Man,Benny Nisbet,:,politicamente morto y ningun speransa pa bini bek,ya cu ni un edificio por maneha,corda nos pais.

Enberdad un edificio grandi y bunita,cu tabata un orguyo pa su miembronan,pero cu a yama un desenlace final dramatico,mescos cu e partido politico,PPA mes.

Manera nos por corda,miembronan tabata bandona e fila di PPA,debi na e capricho y terkedad di su lider y manipulacionan cu a tuma lugar. Ultimo tabata e desenlace di poder politico,caminda Benny Nisbet su so kier keda lider y a core den mal manera cu Mocica Kock,cu a lanta su partido y cu awe ta uno cu a desaparece di un morto natural y tambe di awe kende ta Ministro Mike de Meza, cu tambe a pasa mal rato na man di e lider Nisbet aki y cu eventualmente a keda su so sinta riba e trono di loke a resta di e prestigioso partido oraño,PPA cu a bai den historia di su record di 35 aña goberna nos isla y cu 13 asiento den nos Parlamento, y cu nunca mas ningun otro partido politico na Aruba a logra yega,corda surpasa. Tur e honornan aki y progreso di nos pais,ta danki atrobe na un lider cu nunca a haya su reconocimiento debido, Juan Enrique Irausquin.

Apesar cu Benny Nisbet ta purba di bini bek y cu ayudo di medianan yega na oposicion cu no kier a mira Benny Nisbet den pasado y cu a yame pa “Traidor”, awe kier malusa su conocimento den historia pa yuda nan partido talve pa bolbe lanta cabes.

Aduana ni AeroCargo tabata habri den fin di siman

Den fin di siman comerciantenan cu ta saca carga frieuw a haya un baño di awa frieuw,na momento cu nan a yega diabierna pa saca carga y no ta tin miembro di Cuerpo di Aduana presente. Tur carga frieuw a keda pega, diabiena no por a saca carga at all.

E indignacion a bini na momento cu diasabra ultimo,tampoco tabatin miembro di Cuerpo di Aduana presente pa saca carga,ni tampoco un representante di AeroCargo. Ta te parti merdia a bin logra haya atencion y a bin habri pa comerciantenan por a saca nan carga frieuw.

Aki ta unda e di tres sorpresa a coi e comerciantenan aki duro,debi cu nan carga entre otro di flornan cu a yega for di diabierna, a ser laga pafor di cooler cu ta tene carga frieuw y e chanan tur tabata cayente.

No ta conoci si e comerciantenan lo hasi keho di e mal servicio aki den fin di siman,specialmente di parti di AeroCargo cu mester a hinca e caha di flornan entre otro den e cooler,ya cu esaki ta nan resposabilidad pa hasi tal y no a hasiele.

Pa loke ta e Cuerpo di Aduana cu no ta tin miembro presente,debi cu ta warda nan ta traha,lo mester duna cuenta na e superiornan y Ministro encarga cu dicho departamento, Mike de Meza.

Ta con por ta posibel cu ningun Aduana tabata labora? Diabierna tabatin ATV dag,pero e departamento aki mester sigui opera,mirando e resposabilidad cu esaki tin pa cu comerciantenan di carga frieuw.

Awor ta keda na AeroCargo y Ministro Mike de Meza pa laga hasi un investigacion di con esakinan a sosode y pakiko. Mester pone un paro si na e cuestionan aki cu ta causando nos comerciantenan cu ta paga impuesto masha halto mes,pa haya y nan ta demanda un bon y rapido servicio,mirando cu ta trata di productonan frieuw.

Pueblo ta pidi pa un Cuerpo Elite pa combati crimen en general

Den pasado hopi a ser comenta riba e hecho cu Gobierno lo mester lanta un team elite pa combati y cu man duro contra robo di auto,atraco y otro delitonan cu ta lantando cabes den e ultimo temponan aki riba nos isla.

Tur caminda riba e isla,e comunidad ta papia di baha pisa riba e malechornan aki cu ta asotando cu nos isla y ta trece Aruba den un lus scur.

Ultimo aki ta un atracao riba un joyeria den pleno caya na Playa. Danki Dios a detene un hoben apenas di 17 aña,Colombiano, cu ta un di nan cu a comete e atraco aki, sigur hunto cu otro individuonan,kendenan ainda mester ser deteni pa Cuerpo policial.

Aki nos ta mira con vunerable nos costanan ta y falta di vigilancia continuo,ta trece e resultadonan manera e ultimo aki,na unda un Colombiano cu mester ta den scol na su pais,ya caba ta un delincuente y riba nos isla.

Mester bin un team cu enberdad lo baha man pisa y cu ta haya apoyo di Hueznan tambe na momento di sentencia e delincuentenan aki cu enberdad awor si ta birando di mas y practicamente no tin un solucion,ya cu ta saca cierto cantidad di e hendenan aki y nan tras ta drenta otronan mas pa hasi nan fechoria riba nos isla.

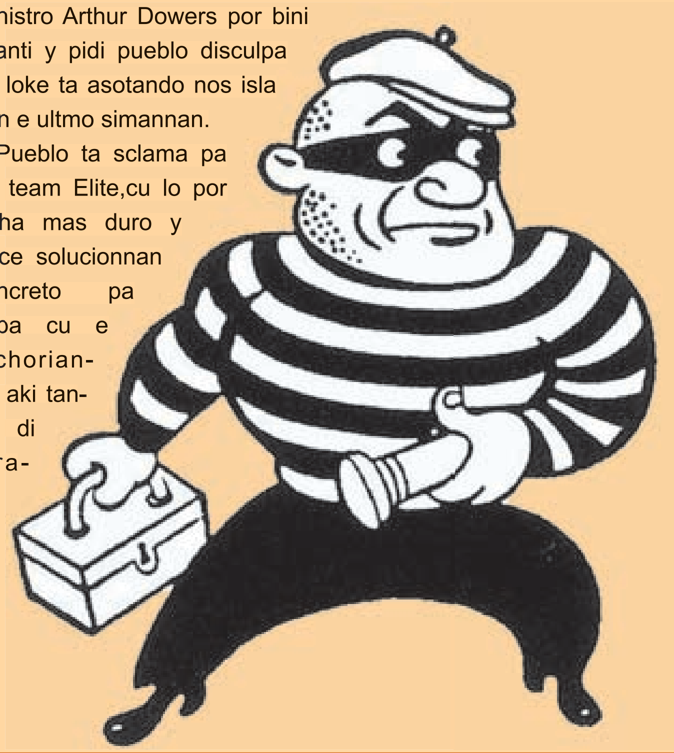

Mester bini un investigacion profundo, entre otro unda e hoben aki ta hospeda y primi esnan cu ta bida den e cas ey na Madiki pa saca afor con e hoben aki por a ingresa y keda akinan,sin trabao,pero cu malintencion nan pa perhudica nos isla,esey ta sigur.

Masha auto a ser horta atrobe den fin di siman y cosnan ta sigui sosode,caminda nada ta pasa tampoco pa para e cuestionnan aki.

Den pasado,hopi a ser menciona y posibel solucionnan,pero awe cosnan ta pinta otro y ta nos comunidad alolargo ta paga pa e fechorianan aki y ta mustra manera nada ta ser hasi pa sigur e Ministro di Husticia, Arthur Dowers.

Si ta na Corsou,e situacionnan aki ta sigui presenta y empeora, anto ta masha dia cu e Ministro di Husticia, a saca su som y tene honor na su mes y elo a retira. Aki na Aruba nada ta pasa y ni cu Ministro Arthur Dowers por bini dilanti y pidi pueblo disculpa pa loke ta asotando nos isla den e ultmo simannan.

Pueblo ta sclama pa un team Elite,cu lo por traha mas duro y trece solucionnan concreto pa caba cu e fechorianan aki tanto di stranhero y localnan cu tambe tin gran parti den e situacionnan aki,na unda e stranheronan aki ta yega apensa conoce nos isla y ya ta cla pa comete atraco y robonan,manera cu nan conoce e isla hopi tempo caba.

Xpresa bo mes

Mike de Meza un alma perdi den su mundo di fantasia

Cu asombro mi por a tende un declaracion di nos Minister Mike de Meza na television, cu a laga mi hopi decepciona. Un Mike de Meza bon bruha den su imaginacion, ta expresa cosnan hopi for di sla, y sin lubida cu esnan cu e kier castiga awe, mañan lo e kier bati na nan porta pa e por sigui goberna. Su mensahe y menasa na e pueblo di Aruba mi a captele loud and clear. Cu si e pueblo di Aruba no acepta cu e Molinanan di biento ta bini na Urirama, awa y coriente lo bay subi barbaramente segun E un 100%. Kiermen cu Mike de Meza y Mike Eman tin pensa di hisa awa y coriente pa e pueblo di Aruba???. Cu Molina di biento y sin Molina di biento awa y coriente nunca a baha, ta esnan cu ta maneha e proyecto a sali beneficia y a gana hopi placa ariba custia di pueblo. Dia cu baha Brandstofclausule e dia ey awa y coriente lo baha. Mester splica e pueblo di Aruba pakico gobierno no kier baha e Brandstofclausule. Aumento di awa y coriente ta na caminda atrobe y gobierno ta busca un smoesje pa despista e pueblo di Aruba, hungando cu e humilde pueblo di Noord nan sentimento, cu e proyecto di Urirama. Mike de Meza y Mike Eman sa masha bon cu Urirama no ta adecuado pa e Molinanan di biento. E ta un bista mahos pa e kapel di Alto Vista cu su caminda di Cruz y su inmenso trankilidad pa e sernan humano cu tin alma. Nos flora y fauna ta na peliger, e ambiente y habitat lo ta desastroso pa e pueblo di Noord. Pueblo di Aruba mester condena e proyecto di molina di biento na Urirama y exigi di gobierno pa acople cu e proyecto di Vader Piet, cu ta destina pa Molinanan di biento. Y si Vader Piet no ta bon pa e Molinanan di biento, pone nan unda e hospital bieu di Lago den Colony tabata ubica, cu no ta keda mucho leu di e cas di Mike de Meza, pa e por drumi dushi. Pa Mike de Meza kibra su cabes cu districto di Noord, no ta miho e convence su gobierno pa hiba Hard Rock Hotel, San Nicolas na Rogers Beach of unda antes tabata Esso Club despues Nanky Club. Ta tristo pa wak cu San Nicolas ta de bes en cuando ta haya poco show cu bebemento y comemento. San Nicolas a para bira un ghost Town, ni mucha chikito no ta kere den storia di Klaas Vaak mas cu tiramento di santo den wowo di hende. Nos no por sigui tende cu gobierno no tin placa y si no tin placa di con tin tanto biahamento anto, unda e fruto di tur e biahamento nan ey a keda, kico tabata e logro di tur e biahamento-nan ? Un green corridor cu nunca ta caba, un caya grandi tur coba sin ningun destino, un tram mal planifica y cu hopi placa mal gasta, tin tur hende disgusta.

Josh Beckett sharp again as Red Sox rip Phillies

PHILADELPHIA -- If he keeps this up, Josh Beckett won't have to worry about hearing boos anymore.

Beckett pitched 7 2/3 strong innings and Jarrod Saltalamacchia hit a three-run homer to lead the Boston Red Sox to a 5-1 win over the Philadelphia Phillies on Sunday.

Mike Aviles also homered and drove in two runs for Boston, which has won eight of 10 games overall after taking the final two of this three-game series.

Beckett (4-4) was booed off the mound May 10 when he allowed seven runs in 2 1/3 innings following news that he had played golf while skipping a start to rest a strained lat muscle -- but he has been spectacular since.

After shutting out Seattle in a home win on May 15 by pitching seven scoreless innings and giving up four hits with nine strikeouts and two walks, Beckett allowed one run on seven hits Sunday while striking out five and walking two.

"I was making pitches when I needed to and the defense was unbelievable, everybody contributed," Beckett said. "I was keeping the ball down and I threw a few changeups, or I got ground balls. It's nice to keep the ball in this ballpark."

His only blemish was Juan Pierre's sacrifice fly in the eighth that gave Philadelphia its only run.

"His stuff was really moving today," Boston manager Bobby Valentine said of Beckett. "He was aggressive in the strike zone and he looked like he wanted it."

Adrian Gonzalez went 2 for 4 and now is 9 for 16 lifetime against Phillies lefty Cliff Lee.

Lee (0-2), making just his sixth start of the season after spending time on the DL with a strained oblique, had his worst start of the year. In seven innings, he allowed five runs on nine hits -- both season highs. He struck out six and walked one.

"They've got a good offense," Lee said. "They make you throw a lot of pitches. They foul off good pitches until they get one to hit. It's definitely the sign of a good offense, which they are."

The three-time All-Star and 2008 AL Cy Young winner has been pitching well this season, entering with a 1.95 ERA, but has not been getting run support some of the time or bullpen support other times.

The Phillies' offense didn't help Lee, once again, but this time the left-hander wasn't able to keep Philadelphia close.

"Tonight it was definitely my fault," he said. "I've gotta do a better job of that. I gotta get deeper in the game without giving up so many runs. This one falls on me."

Aviles led off with a homer for the second straight game, ripping Lee's 1-1 cutter into the seats in left.

"I just try to put the ball in play, try to hit the ball up the middle and whatever happens, happens," Aviles said. "I'm just trying to get on base."

After Aviles' RBI single in the second gave the Red Sox a 2-0 lead, Boston went ahead 5-0 in the third inning on Saltalamacchia's three-run homer that cleared the seats in center field and reached Ashburn Alley, the fan walkway behind the outfield seats. Lee said the pitch was a mistake.

"I threw a changeup up out over the plate," he said. "Other than that, I felt like they battled. They fouled off a lot of good pitches, made me work a lot early. They got themselves a nice lead and never really lost it."

Lee settled down after that, retiring the next 11 batters before Beckett's single off the wall in center to lead off the seventh. But the damage had been done.

"I was hoping once (Lee) settled in he started pitching pretty good we could score some runs for him, but we couldn't do it," Phillies manager Charlie Manuel said. "We hit some balls hard early but we couldn't get any big hits and drive runs in."

Beckett was in total command against a Phillies lineup that had 15 hits the previous night. Other than the third inning, the right-hander allowed just two runners to reach second base before the eighth.

"He kept the ball down good," Manuel said. "He hung in there, kept his pitch count down and (it) allowed him to go deep."

The Phillies threatened in the third, putting runners on second and third with one out after Lee doubled, but Jimmy Rollins grounded out to third and Pierre lined out sharply to first to keep Philadelphia scoreless.

Philadelphia scored its run in the eighth on Pierre's sacrifice fly to left that scored pinch hitter Pete Orr, who doubled. Valentine lifted Beckett after the right-hander walked Shane Victorino to put runners on first and second. And the bases were loaded when relieverVicente Padilla walked Hunter Pence. But Padilla got Ty Wigginton to ground out to second to escape the jam.

"That's a situation you want to be in and Padilla did a good job," Wigginton said.

The Phillies were 1 for 9 with runners in scoring position Sunday, and now are 3 for 21 in their past two games.

Max Scherzer strikes out 15 but falls 1 short of Tigers record

DETROIT -- Max Scherzer headed off the mound and toward the dugout, where manager Jim Leyland was waiting to offer a congratulatory handshake.

After 15 strikeouts in seven innings, Scherzer's day was done, and the only question was whether the Detroit right-hander's fine effort would go to waste.

"We're in this business to win," Scherzer said.

And win the Tigers did. Alex Avila's tiebreaking, two-run single highlighted a three-run seventh that sent Detroit to a 4-3 victory over the Pittsburgh Pirates on Sunday. Scherzer's 15 strikeouts were the most by a Tigers pitcher in 40 years, and his teammates wiped out a 2-1 deficit to get him the victory.

Mickey Lolich had 15 strikeouts for the Tigers against Boston on Oct. 2, 1972, and set the club record of 16 in 1969, doing it twice in less than three weeks. Scherzer's 15 strikeouts were the most by a major league pitcher this year. Miami's Anibal Sanchez had 14 against Arizona on April 28.

"We've wasted a few good performances this year already," Avila said. "Hopefully, that will kind of get us on a roll a little bit."

Detroit trails first-place Cleveland by three games in the AL Central.

Scherzer (3-3) threw 115 pitches. He allowed four hits, including two solo homers, and a walk.

Avila's hit made it 4-2. Pittsburgh scored a run in the ninth off Joaquin Benoit, but he held on for his first save this season. Detroit closer Jose Valverde has a strained back.

Kevin Correia (1-5) allowed three runs and four hits in six-plus innings.

Scherzer gave up seven runs in 2 2/3 innings in his first start of the season, and although he's been better since then, he entered Sunday's game with a 6.26 ERA. He was locked in from the start, throwing his first 10 pitches for strikes before finally missing the zone against Pedro Alvarez, the first hitter of the second. Scherzer got Alvarez anyway for his third strikeout of the day.

"Even when I've struggled, I've always believed the next time I go out there that I'm going to have a great start, no matter what," Scherzer said. "That's always been my belief ever since I've been in the big leagues, and today was no different."

All 15 of Scherzer's strikeouts were swinging. The only other pitcher since 1988 to strike out at least 15 -- all swinging -- in a game was Houston's Mike Scott, who fanned 15 Cincinnati Reds on June 8, 1990, according to STATS LLC.

"My changeup was really working well today. I was able to throw it to both lefties and righties, and I was able to generate swing-and-misses out of it," Scherzer said. "I was able to throw it for a strike and throw it just underneath the zone to help generate some swing-and-miss strikeouts."

Scherzer had struck out five straight -- and 10 for the game -- when Rod Barajas homered with one out in the fifth to give the Pirates a 1-0 lead. Jhonny Peralta answered with a solo shot in the bottom half.

Neil Walker hit a 407-foot homer in the sixth, and Scherzer's pitch count began creeping up, precluding a run at the big league record of 20 strikeouts for a nine-inning game. Scherzer was actually on the hook for a loss when Leyland offered his handshake after the top of the seventh, the signal that a reliever would be entering in the eighth.

But Prince Fielder led off the bottom of the seventh with a blooper to left that dropped between shortstop Clint Barmes and left fielder Nate McLouth. Barmes had a long way to run because the infield was shifted around to the right, and when the ball hit the ground, it bounced weirdly up off him into foul territory, enabling Fielder to reach second with a double.

Delmon Young followed with a tying single, and Tony Watson relieved Correia. Peralta drew a walk one out later, and a passed ball by Barajas allowed the runners to move up to second and third. The Pirates brought the infield in, but Avila's base hit up the middle foiled that strategy and made it 4-2.

Detroit was without center fielder Austin Jackson (abdominal strain) and Valverde, but the Tigers ended up taking two of three from Pittsburgh. Scherzer and Justin Verlanderbookended the series with brilliant pitching performances. Verlander threw a one-hit shutout Friday night, striking out 12 and giving up only a ninth-inning single to Josh Harrison. The Pirates struck out 17 times Sunday and 41 times in the series.

Dwyane Wade knee drained

INDIANAPOLIS -- Miami Heat guard Dwyane Wade has consistently downplayed how sore his left knee had been in recent weeks and continued after Sunday's game to say he wouldn't use any injuries as an excuse for his performance. But multiple sources close to Wade and the team told ESPN.com Sunday night that he required the minor draining procedure on Wednesday before the team's loss in Game 3.

After having fluid drained from his troublesome left knee last week, Wade had one of the worst playoff games of his career as Miami stumbled into a 2-1 series hole against theIndiana Pacers.

Apparently, all Wade needed were a few days of rest and treatment, a pep talk from his former college coach and another crack at Indiana to get his body and mind on track.

Pairing with league MVP LeBron James for a desperate and dominant two-man performance, Wade bounced back from his Game 3 struggles to finish with 30 points, nine rebounds, six assists and two blocks in 41 minutes to help the Heat even the series and reclaim homecourt advantage from the Pacers.Wade declined to comment on the procedure after Game 4 other than to say, "If I'm in uniform, I ready to play."

Heat teammates and coaches have maintained that Wade has been banged up throughout the series, but especially the past three games, with nagging injuries that have lingered since late in the regular season when Wade missed eight of the last 15 games.

But issues with his knee, which required surgery four seasons ago, apparently cropped up again after Miami's 95-86 victory in Game 1. Wade scored 24 points in Game 2 but was just 8 of 22 from the field and missed a crucial layup in the final seconds of Miami's 78-75 home loss to Indiana.

The poor play continued Thursday, when Wade had difficulty driving to the basket and defending in transition. He was held scoreless in the first half for the first time in 95 career playoff games and finished with just five points on 2-of-13 shooting with five turnovers. During the game, Wade's frustrations boiled over in a timeout when he had a heated exchange with coach Erik Spoelstra and several of his teammates before he cooled off. In the days between Games 3 and 4, Wade faced some of the harshest criticism from the Heat fan base -- with some suggesting on Twitter that he be traded in the offseason. But Wade got away from the frustration and even his teammates on Friday to spend the day at Indiana University with coach Tom Crean, who was Wade's college coach during this three seasons at Marquette.

Wade said the 48 hours of treatment and time away allowed him to regroup for Sunday's pivotal game.

"The last two days have been mental," Wade said. "It was great for me just getting away and to get that energy that I needed. I know I was struggling on the offensive end, but I didn't want that to affect my overall game."

Wade was still sluggish early in Sunday's game. He missed his first four shots and didn't really get going until the second quarter, when James called for a backdoor play for Wade that resulted in a dunk after beating Paul George.

"Coming off the Game 3 performance, I didn't need to say anything to him," James said of Wade. "He's in this position for a reason. He's one of the best players in the world for a reason, so he knows how to adjust. He took it hard on himself. I know he did do that. The best thing for a scorer is to try to get him an easy layup."

With his legs providing some lift, Wade went on to score 22 of his 30 points in the second half. At one point, James and Wade combined for 48 of 50 consecutive Heat points.

Heat forward Udonis Haslem, the only teammate who has been with Wade in Miami for all nine seasons of his career, said it was difficult to hear the outside criticism and questions about Wade's ability in the wake of his struggles.

"I don't really get into what people say on the outside of the media. But there was a lot being said, and I didn't appreciate it, with that being my brother," Haslem said. "I was happy he kept going after starting out a little slow (Sunday). He got it going and we definitely needed it. He didn't let it get him down. He's one of -- if not the most -- mentally tough people I know."

Wade would not say if his knee would require extensive treatment before Game 5 in Miami on Tuesday. The Heat are also dealing with the loss of All-Star Chris Bosh, who suffered an abdominal strain in Game 1 and is expected to miss the rest of the series against the Pacers.

Evelyn Wever Croes relaciona cu Urirama

Un bon lider ta scucha dolor di HENTER su pueblo

E proyecto di molina di biento na Urirama a causa hopi emocion, dolor y reaccion negativo den henter nos pueblo.**Preocupacionnan di e bario**

E habitantenan ta preocupa pa nan salud, pa nan bienestar y di nan yiunan. Nan ta indigna cu ta contempla di haci asina tanto daño na nan, sin scucha nan debidamente prome. Esnan encarga a warda pa yama un reunion informativo cu e habitantenan te despues cu nan a keha di esaki den Parlamento. Pero e encuentro cu nan a organisa no a wordo bon planea tampoco, ya cu e luga tabata mucho chikito pa tanto hende. Pero mas peor tabata e hecho cu esnan presente no por a contesta tur pregunta, of no kier a contesta tur pregunta. Sr. Wim Kok y Sr. Henk Hutting, ambos na mas di un ocasion a bisa cu nan no por contesta, cu ta WEB of gobierno mester contesta. Pero ningun di dos no tabata representa den sala. Pues e desaroyado por a sconde tras di otronan y varios pregunta importante no a wordo contesta.

Gobierno tin pura cu e proyecto

Un di nan ta pakico tin tanto pura cu e proyecto. Unico cos cu nan por a bisa ta cu Gobierno a pidi pa haci pura cu e proyecto, pero dicon, ainda ta un misterio.

Rapport di MER no ta confiabel

Un punto cu a resalta ta cu e desaroyado mes a laga traha e rapport di impacto ambiental, "MER". ademas, e compania KEMA cu a traha e rapport pa varios aña ta consehero di WEB, segun un habitante y cu a wordo confirma pa Sr. Wim Kok di KEMA. Aki pues ta mescos cu e carnicero mes ta keur e carni. Esey no por y entre otro pesey mi ta di acuerdo cu e habitantenan cu e MER rapport no ta confiabel. Gobierno mester exigi cu ta laga un otro instancia, uno mas independiente, haci e investigacion y e rapport.

Problema di salud

Un critica importante ta cu e desaroyado no a duna mucho atencion na e efectonan riba salud di hende. Riba esey e contesta ta cu no tin mucho conoci ainda riba e efectonan di salud cu e molinanan ta causa. Esaki naturalmente ta totalmente inaceptabel.**Kapel di Alto Vista, sitio di oracion**Otro punto cu a causa hopi consternacion ta cu nada ta wordo bisa tocante e papel importante cu Alto Vista ta hunga den practica di fe di miles di creyente na Aruba. Segun Sr. Wim Kok esey no ta haya atencion pasobra pe religion ta parti di cultura. Cu esaki e desaroyado y e compania KEMA a demostra claramente cu nan no a haci un estudio debido na norma y balornan di Aruba.**Turismo**E efecto riba nos turismo a wordo neglisha completamente te ainda. Pa turistanan un bishita na Alto Vista ta un must, y ta straño cu ni ATA ni Minister di Turismo a comenta riba esaki.**Organisa accion**Mi ta lamenta cu activistanan di AVP y specialmente vocero di gobierno Sr. Manolo Besselink, en bes di scucha e dolor di nos pueblo, a cuminsa un campaña pa laga pasa cu ta ami ta tras di e accionnan aki. Esaki ta un acto baho di desesperacion. Ami ta uni mi mes na e preocupacion y dolor di nos pueblo pasobra mi ta di opinion cu un lider mester scucha dolor di TUR hende, un bon lider ta evalua e opinionnan y si nan ta funda, e mester sostene un causa husto. Esey ta mi rol den esaki, sostene y vocifera e dolor di esnan cu a pone nan confiansa den mi. Ami no ta organisa e accionnan, pero mi ta sostene si. Y mi ta sugeri nos Prome Minister pa haci mescos.

Esaki ta e momento cu bo mester demostra liderazgo y cuminsa uni e pais aki bek. E discusionnan y desunion cu esaki ta causando den nos comunidad chikito no ta bon. Mi no sa ki interesnan tin scondi tras di e proyecto aki, ni cuanto placa ken tin di haya, pero placa no ta tur cos den bida, y sigur no por bay riba interes di nos pueblo.
